## Neumi Skin Product Overview

### A BLEND OF NANO NUTRIENTS DELIVERED IN SECONDS

We've solved a problem that's been around since the first person said "skin care", and that's absorption!

Neumi Skin's breakthrough technology nano-sizes critical ingredients, making absorption fast and effective. Our spray delivery system makes it easy to apply Neumi Skin multiple times a day under or over makeup.

### Superior Absorption Through HydraStat Technology

Neumi Skin uses our proprietary HydraStat Nano-Technology to break down our ingredients into tiny particles, making it easier for them to navigate deeper into your skin, increasing the benefits of the same amount of product! We get delicate ingredients where you need them for incredible results faster than ever before.
